KEN RENSINK

Occupation: Special Education Teacher

Hi, I'm Ken Rensink and like you, I love Chico. I graduated from Chico State University with a Bachelor's in Business Administration in 1990. After working in the financial services industry for a couple of years I decided to become a Special Education Teacher, a job I've loved for 17 years now. I've served two terms on Chico's Planning Commission from 2011 through 2016. I was appointed by a liberal majority council the first time, and by a conservative majority council the second time. My record demonstrates an ability to work with people from all perspectives. I believe the divisive partisanship and rhetoric we are witnessing at all levels of government is not serving our community well and has no place in our City Council. Chico deserves better. I believe there is too much money in politics and that our political leaders' decisions are too often swayed by big bucks and political party pressure. My campaign will only accept contributions from individuals and no contributions over \$100 have been accepted. We need a real change. I am the only experienced nonparty candidate running, and I would be honored to have your vote. Learn more at kenforchico.com.
