My family opened Shubert's in 1938. For the past 80 years, we've made ice cream and memories in the same downtown location using the same equipment as the generations before us. The Shubert's family loves this city, and it's been said you can taste the magic of Chico in Shubert's Ice Cream.

Sadly, our special community is in turmoil. I remember the days when I could safely ride my bike across town. I remember the days when our parks and downtown were clean, safe, fun places for families. Today at our storefront we fight vagrancy, illegal activity, and problems with people intent on destroying the fabric of our beloved little city.

This is why I have decided to run for the Chico City Council. I support offering services to individuals suffering from addiction and mental health issues. However, the criminal behavior can no longer be tolerated. I pledge to support and grow our police department, hold criminals accountable, and discourage vagrants from taking advantage of our generous community.

My cell phone number is listed below if you have any questions. I would be honored to earn your vote.
